Office of Undergraduate Admissions
University of Notre Dame
220 Main Building
Notre Dame, IN 46556-5602

GENERAL INFORMATION

A student who has discontinued study in a degree-seeking program at Notre Dame may be eligible for readmission to the University. To be readmitted, a student must be approved by all of the following offices:

- The college to which the student applies
- The Office of Student Affairs
- The Office of Student Accounts

If you left the University for academic reasons, you may have to fulfill specific academic requirements at another institution before being considered for readmission to Notre Dame. In many cases, these courses need to be pre-approved in order to be considered. You will want to contact the advisor you worked with before leaving the University. If you are unsure of who to contact, please refer to the list below. You should apply to the college where you intend to major, as long as you are in good academic standing. If you are on probation/dissmissal status, you must reapply to the college that dismissed you. In order to transfer between colleges, you will need to be in good academic standing.

NOTE: A student on an official leave of absence from the University does not need to apply for readmission.
