Be sure to list also classes in progress and those scheduled during this academic year.

Short Answer

The Transfer Committee would like to know more about your educational goals. With that in mind please answer the following prompt by providing a response of approximately 250 words.

How does the academic college you intend to enroll in at Notre Dame better suit your educational and professional goals than the program you currently attend and what have you done to prepare yourself to succeed? If you are not currently enrolled in the major program you seek to study at Notre Dame, why have you decided to pursue that field of study at this point?
