GENERAL INFORMATION

The University of Notre Dame College of Engineering partners with the following universities to provide engineering opportunities to students:

4+1 Program
- Saint Mary's College, Notre Dame, IN

3+2 Programs
- Assumption College, Worcester, MA
- Bethel College, Mishawaka, IN
- Carrol College, Helena, MT
- Elon University, Elon, NC
- Goshen College, Goshen, IN
- Loyola University, Chicago, IL
- Saint Anselm College, Manchester, NH
- University of Saint Thomas, Houston, TX
- University of Saint Thomas, St. Paul, MN
- Stonehill College, Easton, MA
- Xavier University of Louisiana, New Orleans, LA

This application is used for students transferring from schools with recognized dual-degree partnerships with the University of Notre Dame. Please ensure that you are currently attending one of the schools listed above. If you are transferring from any other school, please use the regular Transfer Admission application available at: admissions.nd.edu/transfer. Questions regarding these programs can be addressed to Assistant Dean Cathy Pieronek at cpieronek@nd.edu or 574-631-5531.

APPLICATION INSTRUCTIONS

The applicant must submit to the Office of Undergraduate Admissions a completed application and an official transcript. In some cases, the offices evaluating a student’s application may request additional information.

Application materials and transcripts should be sent to the Transfer Committee at the address listed at the top of this page.

DEADLINES

Applications for fall semester must be completed by April 15. Applications for the spring semester are due by November 1. Fall-semester applicants will be notified of the Transfer Committee's decision between June 1 and July 1. Spring-semester applicants usually will be notified between December 1 and January 15. Please note that notification dates are subject to extensions at the committee's discretion.

COST OF ATTENDANCE

The average Notre Dame undergraduate student expense budget includes tuition and fees, room and board, books and supplies, personal expenses and transportation. Actual costs vary based on housing accommodations, travel costs and personal expenses. Annual increases in the cost of a Notre Dame education are anticipated.

FINANCIAL AID

Admission to Notre Dame is "need-blind" for U.S. citizens and permanent residents. This means students are admitted to the University on the basis of their academic and personal records of achievement, not their financial circumstances. Notre Dame is fully committed to meeting the financial need of a student through our need-based program. Nearly half of the undergraduates receive at least one source of need-based aid (scholarship, grant, loan, and/or work). All admitted transfer students who properly apply annually for financial aid will have their full demonstrated financial need met for their undergraduate study.

HOUSING

Because the overwhelming popularity of living in the residence halls the University has a very limited number of space to house transfer students on-campus. We do everything we can to offer housing to those confirmed transfer students who wish to live in residence halls, but much of the time there is not enough space.

After admission and official confirmation of intention to enroll with the Undergraduate Admissions office, transfer students who desire on-campus accommodations should apply online for housing following the instructions in their confirmation packets. A wait list is maintained of students who have completed the online housing application. Information about the waiting list and the procedure for making assignments may be obtained from the Office of Residence Life and Housing. Students exploring transfer to the University of Notre Dame may need to live off-campus for at least a semester (perhaps longer) before receiving a residence hall assignment. For more information, you may write to Director of Residence Life and Housing, University of Notre Dame, 305 Main Building, Notre Dame, IN 46556-5602 or call (574) 631-5878 or email ovh@nd.edu

TRANSFER FINANCIAL AID APPLICATION PROCEDURES

The CSS/Financial Aid PROFILE application and the Free Application for Federal Student Aid (FAFSA) serve as the official applications for need-based financial aid at the University of Notre Dame. To be considered for financial assistance (scholarships, grants, loans, work) students must annually file both the PROFILE and the FAFSA applications by the University's priority filing deadline.

Although families are encouraged to use actual tax information when completing the PROFILE and FAFSA applications, estimated figures may be used if necessary.

The University of Notre Dame participates in the College Board’s Institutional Documentation Service (IDOC) which allows students to submit one packet of supporting documents to IDOC, rather than mailing individual documents to the Notre Dame Financial Aid Office. PROFILE applicants will receive communication directly from IDOC regarding the submission of supporting documentation.

For the most current information on costs, scholarships, loans and application procedures, visit the Financial Aid Office website at financialaid.nd.edu.
